SAVATION.

Look out for your water pipes this cold weather.

For window glass, all sizes, go to Lange & Schmitt.

Hay is worth \$30 per ton at Graniteville, Nevada county, Cal.

A slight flurry of snow about noon yesterday was the first harbinger of approaching Winter.

The third volume of the Orphans' Annual is closed. It is only published one week out of each year.

Frank Chagnon, of Independence valley, Elko county, came in from there on yesterday morning's overland.

The new military instructor at the State University is reported to be on his way here, and will arrive shortly.

Go to Lange & Schmitt for heating stoves, cook stoves, ranges and house furnishing goods. Large variety and best values.

The Pullman Car Company furnished 2,000 sleeping and drawing room cars to railroads in the United States last year at a cost of \$2,000,000. The Pullman company operates over 126,037 out of a total of 164,410 miles in the United States.

The Bannock Indians in Utah and Montana have been told by medicine men that the millennium will come this year, that the white men will suddenly die, and that the Indian braves will be called from their graves to rule the country. In consequence of this prediction the Indians refuse to meet the whites, and a decided hostility has sprung up and trouble is not unexpected.

The Brigands.

The opera goers last evening were treated to a splendid performance in "The Brigands," by the Carleton Opera Company. The singing was most excellent and drew forth a generous applause from the appreciative audience. Carlton as chief of the brigand was the centre of interest and his acting and singing was fully up to his usual degree of fluency. The rich baritone of J. K. Murry, and the comic songs of Charles A. Bigelow, drew forth rounds of applause. Among the ladies Miss Clara Lane had a remarkably sweet soprano voice, and Miss Jeanne Winston a superb contralto that were favorites.

Notice.

At a meeting of the Trustees of the Baptist Church Dr. W. A. Phillips and W. Sanders were appointed to collect the amounts subscribed by the friends of the church toward paying for the new church building, the six months given on the pledges will expire November 26th. Those whose subscriptions are not yet paid please hand the amounts to the collectors or be ready to pay about the above date.

Distress in Berlin.

More than 6,000 stone-masons in Berlin are without work or money. The builders say that the stopping of their trade, from which this state of affairs has resulted, is due to the recently increased agitation of the Social Democracy. Every one is afraid to contract for new buildings for fear of a strike for higher wages on the part of the workmen as soon as the work is under way.

Card of Thanks.

The Ladies of the W. C. T. U. of Reno, by vote extend their thanks to Gen. C. W. Booton for his kind and liberal donation of \$60.00, in the form of a rebate on rent due him by contract price for the use of the Opera House at Reno during their late series of meetings addressed by Major G. A. Hilton.

Opera House Dry Goods Store.

Maj. Booton has just returned from San Francisco where he has purchased one of the largest and finest assortments of dry and fancy goods ever brought to the State. Attention is called to his ad. in this issue. These goods have all been arranged upon his counters and are all ready for the grand sale which will soon take place.

The Storm.

Wednesday night the storm, which has been threatening for several days, broke up the Sierras. Yesterday morning, the summits of the mountains on the west of Reno were lightly covered with snow which was still falling. Over Virginia City and Carson valley the storm seemed to be particularly heavy.

A Political Lottery.

The Judges of the Supreme Court of Idaho qualified last Monday and drew lots for long and short terms. Hon. L. N. Sullivan drew the two-year term, thereby becoming Chief Justice. Judge Huston will serve four years and Judge Morgan for six years.

Elected to the Assembly.

A. T. Burnett, son of Thomas Burnett, of Reno, has been elected to the Assembly from the Thirty-eighth Assembly District of California.

Colcord Returns.

As far as known Colcord has 315 majority in Ormsby, 385 in Storey, 100 in Eureka, 9 in Washoe, 165 in Esmeralda, from 70 to 135 in Lyon and probably 45 in Douglas.

Ground has been broken at Reno for a wood warehouse below the railroad bridge. It is to be of brick 30x600 feet, and be finished inside of sixty days.—Virginia Examiner.

CLEVELAND ON THE ELECTION.

The Ex-President rejoicing over the Elections in the East.

An Associated Press reporter called upon ex-President Cleveland Wednesday in New York in regard to the election. Mr. Cleveland said:

"I am delighted. I challenge the right of any man to rejoice more heartily than I over the result yesterday. My gratification is that of an American proud of his fellow-citizens, who though led away for a time by party prejudice and blind confidence in cunning and selfish leaders, could not be lured to their ruin. They have demonstrated that in dealing with them it is not safe to calculate that they are stupid or heedless of the welfare of their country.

"The necessities of tariff reform, with its consequent reduction in the cost of living, and the duty of the Democratic party to advocate it, have been fully demonstrated by the action of the people yesterday. Their decision has been deliberately made, and it is all the more significant because they have voted upon their reason and judgment, and because they have proved that corruption is powerless as their convictions.

"Of course there is nothing for the Democratic party to do but push on the battle at all times and in all places on the line which they have laid down—that is, to insist upon a wise adjustment of tariff taxation to the reasonable needs of the Government as opposed to a plan which has enriched a favored class at the expense of the masses of the people.

Until victory is won the question of tariff reform will not be settled, nor the pledges and professions of the Democratic party to the people redeemed."

PRESS ESTIMATES.

Figures on Congress Given by the News-papers.

A New York dispatch, dated November 6th, says that the Times claims that the two great parties will be represented in the Fifty-second Congress as follows: Democrats 201, Republicans 129; Democratic majority, 71.

The Tribune's figures are 167 Republicans to 165 Democrats.

The Sun says the next House is evidently Democratic by about thirty-five majority. The World says there is fully 70 majority for the Democrats.

The Herald claims a majority of 40.

Truckee in Ashes.

At midnight Wednesday a disastrous fire broke out in Truckee, and burned during the greater part of yesterday, leaving the business portion of that town in ruins. The fire started in the rear of Stahl's brewery and is supposed to be the work of an incendiary, as a man was seen running away soon after the flames broke out. The wind was blowing a hurricane at the time, and efforts to put out the flames were fruitless.

The fire rapidly communicated itself to the nearest buildings and spread thence through all the business portion of the town. At 2 o'clock forty buildings had been burned. A slight fall of snow had no effect on the flames.

The entire town would have been destroyed had not the wind shifted about 3 o'clock and drove back the fire so that it was got under control. All the buildings east of Hard's hall are saved. But on the west as far as Odd Fellows' hall, the town is but heaps of smouldering embers. The loss is estimated at \$110,000. The insurance about \$20,000.

Advice to Mothers.

If so send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MISCELLANEOUS.

Dyspepsia

Makes the lives of many people miserable, and often leads to self-destruction. Distress after eating, sour stomach, sick headache, heartburn, loss of appetite, faint, "all gone" feeling, bad taste, coated tongue, bad irregularity of the bowels, are

some of the more common symptoms. Dyspepsia does

not get well of itself. It requires careful, persistent

attention, and a remedy like Hood's Sarsaparilla, which acts gently, yet surely and efficiently. It tones the stomach and other organs, regulates the digestion, creates a good appetite, and by thus

overcoming the local symptoms, removes the effects of the disease, banishes the headache, and refreshes the tired mind.

"I have been troubled with dyspepsia. I had but little appetite, and what I did eat

distressed me, or did me little good. In an hour

burn after eating I would experience a faintness, or tired, all-gone feeling,

as though I had not eaten anything. My trouble, I think, was aggravated by my business, which is that of a painter, and from being

more or less shut up in a room with fresh paint. Last

Spring I took Hood's Sarsaparilla—

—took three bottles. It did me an immense amount of good. It gave me an

appetite, and my food relished and satisfied

the craving I had previously experienced."
